

GO TOPEKA PRIVATE DONORS

Over 100 companies from the Greater Topeka area have pledged to support the "Tell The World" Campaign from 2008-2012. Funds collected through this fundraising campaign complement the \$5 million in sales tax dollars that are generated annually for GO Topeka's economic development activities in Topeka and Shawnee County. These funds will go toward Global Business Development, Employer Solutions, Workforce Development and a Flexibility Fund to pay for initiatives such as visioning, riverfront development and downtown enhancement.
