**In Topeka we have a habit of anticipating needs.** Being proactive. And being responsive. We understand that looking for the right place to start or relocate a business is a difficult task. You want the whole package – a low cost of doing business, a smart and well-trained work force, a business friendly community with start-up or growth incentives for small businesses. You want to work with a group that will say yes to your grandest of plans and figure out how to make them happen. You want a place that sees no dream as too big. Is it too much to ask for? This is one of those rare occasions when we say, "No."

Let us answer more of your questions. Find out how Topeka, Kansas can serve all your unique entrepreneurial needs. Contact Glenda Washington at 785.231.6000 or [gWASHINGTON@GoTopeka.com](mailto:gWASHINGTON@GoTopeka.com).
