

Economic Development

4th Quarter 2016 Year End

Report to JEDO

4th Quarter 2016

GO Topeka staff worked in the fourth quarter of 2016 to achieve the annual goals set and to ensure continued economic development success for Topeka and Shawnee County.

The New Business Attraction program during the fourth quarter met with 73 site location consultants and corporate real estate professionals in face to face meetings. During the fourth quarter, staff worked with 4 new prospects resulting in 1 site visit. The current portfolio of New Business Attraction projects, at the end of the fourth quarter includes 28 projects, capturing potential for 3,448 new direct jobs and \$507,000,000 in new capital investment. Leads and prospects are being developed on an ongoing daily basis.

The fourth quarter of 2016 brought exciting news for the Existing Business and Retention program. Going in to the fourth quarter there were 13 open active projects; no new projects were opened, but two were closed as 'wins'. Reser's Fine Foods announced an \$86.5 million investment with the construction of a new state-of-the-art facility and rehabilitation of an existing plant, resulting in 180 new jobs. The second 'win' was an assistance project providing workforce aid to Crosswind Petsfoods, Inc. Staff made 22 business visits in the fourth quarter bringing the total visits for 2016 to 138. Moving in to 2017 staff will continue to work the 11 open active projects, start the incentive audit process for performance year 2016 and continue the business visit program to ensure strong relationships with existing businesses.

Workforce & Education initiatives progress in the fourth quarter. Provided eight Manufacturing & Distribution in the Classroom presentations aligning with National MFG Day, reaching over 950 high school students. Continued to develop the partnership with employers through diversity & inclusion meetings, with planning and support for a CEO event in the 1st quarter of 2017 to further the D & I conversation. Work ethic development programming materials to address soft skills needs for high school students was provided to school districts, with implementation of the curriculum to begin in the spring 2017 semester. Hosted another Shawnee County Superintendents' Forum, serving as a convener to connect additional educational resource opportunities available through Exploring and Junior Achievement.

GO Topeka's Entrepreneurial and Minority Business Development (EMBD) ended the year with a very active portfolio of services. Throughout the year EMBD focused on starting, growing and retaining businesses across the Shawnee County. In the fourth quarter, EMBD spearheaded the Third Annual Small Business Saturday event to bring attention to the need to support local retail/service market; worked to secure and finalize the local Procurement and Technical Assistance Center for the Shawnee County market; marketed the First Opportunity Loan Fund as a source of alternative financing for small businesses; and successfully promoted the Small Business Incentive Program supporting growth through equipment purchases, new and existing construction and renovation, and training and skills upgrades for Topeka/Shawnee County businesses.

Goal 4.3

Collaborate with local and state agencies and corporations to host a Purchasing and Procurement Conference.

Progress 1st Quarter

• The Department of Commerce and the Federal Home Loan Bank were featured at annual breakfast, hosted by EMBD. The Department of Commerce shared steps necessary to be able to do business with Commerce. The Federal Home Loan Bank presented on the upcoming project of the new Federal Home Loan Building. The representative informed the group that they would need a variety of different skills to assist with this project. She will be in touch with GO Topeka when the RFPs are complete.

Progress 2nd Quarter

• In a collaborative effort, EMBD is working with the Federal Home Loan Bank to increase the minority contractor participation on the construction of their new facility. EMBD, along with the General Contractor (McPhersons Contractors, Inc.), will be hosting a Pre-Bid Meeting in August to inform subcontractors about potential opportunities on the new FHLB Building Project.

Progress 3rd Quarter

• EMBD is currently working with the Procurement and Technical Assistance Center. EMBD continues to be a resource for penetrating the Topeka market. Working with the Regional Director to put together the request to house a PTAC Specialist in this region. Over the past three years, PTAC has aided Shawnee County businesses in procuring several million dollars in business. Having a local contact will make an impact.

Progress 4th Quarter

 GO Topeka's EMBD, with the assistance of the Kansas Procurement Technical Assistance Center (PTAC) Program Manager/Director, Terri Bennett, have been awarded a Department of Defense Logistics PTAC Center. During the first quarter of 2017, the PTAC will hire a Subcenter Director to begin conducting marketing research to identify government purchasing opportunities and establish relationships with federal and state agencies. The Director will also be responsible for assisting with bid proposals, preparing pre-bid conferences, and a variety of certifications and services that support business development for small businesses.

Additional EMBD Actions/Initiatives Implemented in 1st Quarter 2016:

- Collaborated with LULAC and the NAACP to create minority business directories. These
 businesses will be used as a tool to assist corporate buyers with identifying minority
 businesses opportunities as well as a reference tool for members of the community.
- Met with the leaders of Central Topeka to discuss possible options for the Dillon grocery store.
- Met with NOTO business owners to share information about the Small Business Incentive program. NOTO businesses have aggressively taken advantage of the incentive program, making it a huge success.
- Continued the conversation with PTAC regarding housing an office in Topeka market.
- Involved with and/or supported 16 community programs/organizations since January 2016.
- Work with KTWU on marketing the Working Capital small business program
- Recorded ads promoting the Topeka/Shawnee County Small Business Incentive and the TSCFOF. Radio ads are currently running. The television ads are running on KTWU. The programs are also marketed in TK Magazine.
- Grew the social media outreach by 16% during the first quarter.

Additional EMBD Actions/Initiatives Implemented in 2nd Quarter 2016:

• EMBD is in continuous discussion with the Kansas Procurement and Technical Assistance Center (PTAC) about expanding its reach and maintaining an office in the Shawnee County region. PTAC certifies small businesses to do business with the federal government and assist them with bid preparation. As mentioned in the 2016 Association of PTAC's report, companies working with PTAC were awarded 73,000 government contracts worth over \$12 billion. PTAC is funded through cooperative agreements between local host organizations and the U.S. Defense Logistics Agency (DLA). APTAC estimates that the return-on-investment is \$344 for every federal dollar invested in the PTAC program.

Additional EMBD Actions/Initiatives Implemented in 3rd Quarter 2016:

EMBD continues to work on several Special Initiatives. Some of them include:

- Serving as a Board Member of 712i, the local Co-Work/Maker Space, assisting with identifying a sustainable funding sources and developing a growth plan;
- Collaborating with the Topeka Chamber to coordinate small business workshops for the upcoming Chamber Business Expo;
- Working with Washburn University School of Business to host the Third Annual Pitch Contest for student entrepreneurs;
- Supporting businesses throughout the County by planning and promoting the 2016 Small Business Saturday initiative.

Additional EMBD Actions/Initiatives Implemented in 4th Quarter 2016:

EMBD continues to work on several Special Initiatives: They included:

- Working with Mid-America Angel Investors to identify potential investors to determine if Topeka can support an Angel Group.
- Added a new incentive to the Small Business Incentive Program. The Marketing Incentive
 will be available January 1, 2017. Funds can be used to create or upgrade websites, for
 newspaper, magazine, radio or television ads, banners, signage, or promotional materials.
- Continuing to collaborate with other various organizations to identify tools that could aid in community and business development.
