## HEALTHCARE

### TOPEKA'S REGIONAL MEDICAL COMMUNITY IS NATIONALLY RECOGNIZED FOR OFFERING HIGH-QUALITY, LOW COST CARE.

A multitude of community outreach services, including neighborhood clinics, prevention programs, and services for children and low income individuals, are provided by our two general hospitals and five specialized hospitals that collectively employ over 8,000 persons.

Specialized infant care, rehabilitation services, surgical procedures, older adult programs and comprehensive heart services are offered in high-tech, newly remodeled facilities. Over 237 physicians from 42 specialties are members of the Shawnee County Medical Society. The Kansas Dental Board reports there are 75 practicing dentists in Shawnee County.

### HOSPITALS

#### General Medical Hospitals

Both general hospitals maintain emergency departments and have emergency room physicians on call.

## University of Kansas Health Systems St. Francis Campus

The St. Francis Campus is a member of the University of Kansas Health Systems and ranks in the top 5 percent of the nation's hospitals for clinical excellence, according to HealthGrades. St. Francis provides comprehensive cancer, cardiology, orthopedic, diabetes, surgical and rehabilitation inpatient and outpatient services, sports medicine and many other programs to meet the healthcare needs of northeast Kansans. St. Francis has a history of offering innovative care, including the da Vinci surgical robot and state-of-the-art diagnostic and imaging capabilities, such as digital mammography, PET/CT, Cardiac CT and TomoTherapy.

### **Stormont Vail Health**

Stormont Vail Health is a health system comprised of a 586-bed major regional medical center, Stormont Vail Health, and 180 primary care and specialty physicians in the Cotton-O'Neil Division. The system serves the region through its network of more than 20 outpatient care facilities located in northeast Kansas, including a Heart Center, Cancer Center, Digestive Health Center and Diabetes Center. Stormont Vail has the region's only Level III Neonatal Intensive Care Unit, the region's only verified Trauma Center and a new, state-of-the-art Emergency and Trauma Center which opened in July 2009. Four ExpressCare clinics, three in Topeka and one in Osage City, provide after-hours care for minor illnesses and injuries without an appointment. If you are new to the area and need a physician, call Stormont Vail's Health Connections at 785.354.5225. Staff is available 24/7 with information on the more than 180 Cotton-O'Neil physicians, including which ones are accepting new patients. In addition, Health Connections' Ask-A-Nurse service is staffed by nurses evenings, weekends and holidays.
