Kansas PTAC is ready to help your business secure government contracts. We provide individualized counseling and informative training seminars about timely contracting issues and the latest guidelines to help you learn how the procurement system can work for you. We assist in developing a government marketing strategy and identifying agencies that purchase your product/service.

We can help find government advertised bidding opportunities using our web-based bid-matching service that searches more than 2,000 federal, state and local sites each day. Our counselors provide expertise in reading and understanding government solicitations, completing government registrations and bid preparation by
explaining forms, regulations and clauses.
